Returning Programs: Adult High School Diploma and Highset Test Preparation

Rockland Regional Adult Learning Center Registration and New Program Information

If you are a returning student or new student, please read the registration dates and times carefully. We will fill all openings, so be sure you are here the evenings you need to be to secure a spot.

RRALC has added several new opportunities to share with you, including three new programs: Certified Nurse's Aid, Pharmacy Assistant and Microsoft Office Specialist. We add these to our other Career Pathway programs and we are well on our way to making RRALC a place to help secure your future. Below is the list of times and dates for returning and new students, and those interested in a Career Pathway.

Returning Students--September 6th and 7th: Beginning at 5:30 all returning students must register in the library. No placement testing necessary, so choose which night to enroll.

Returning Students--September 13th and 14th: All returning students MAPT test in library both nights at 5:30.

New Students--September 6th, 7th, 13th, 14th: All new students must register and test each night, beginning at 5:30 and ending by 8:30. Please bring high school transcript, MCAS scores (if applicable) and social security number.
